Memo to: Perspective Early Childhood Health and Wellness Fair Participants

Subject: Charlotte County Early Childhood Health and Wellness Fair

The Charlotte County Public Schools Virginia Preschool Initiative Steering Committee is hosting an Early Childhood Health & Wellness Fair at each Elementary School to benefit and support our students. The following is the upcoming schedule:

- Bacon District Elementary School – February 22, 2020 from 9:00am to 12:00pm
- Eureka Elementary School – March 14, 2020 from 9:00am to 12:00pm
- Phenix Elementary School – February 13, 2020 from 5:00pm to 8:00pm

The target audience for this event is elementary parents and their children. The VPI Steering Committee hopes through this event that we can promote and support the health and well-being of our young students to set a solid and strong foundation for future health and education. Our objectives include the following:

- Increase health and mental health awareness and disease prevention for elementary students and their parents by providing health screenings, education information, and related activities.
- Provide developmental screenings.
- Foster healthy nutrition for our elementary students.
- Encourage our elementary students to engage in a variety of physical activities.
- Provide disaster preparedness information.
- Increase awareness of local, state, and national health services and resources.
- Motivate participants to make positive health behavior changes for themselves and their children.

Your agency or business is invited to showcase your services at our events by providing educational information, screenings, health awareness activities, and fun and engaging activities for our elementary students. It is free to have a participant space in the Health & Wellness Fairs.

If you are interested in participating and supporting the CCPS 1<sup>st</sup> Annual Early Childhood Health & Wellness Fairs, please contact Jamie R. Brown at 434-542-4933 or [brownj@ccpsmail.org](mailto:brownj@ccpsmail.org).

Thank you for your time. We hope your organization can participate by providing information & activities.
